DEMOCRACY

A political system whereby representatives elected by the people take control of decision-making , as it is more practical and the representatives are better informed

BACKGROUND OF DEMOCRACY

Ancient Greek Democracy:

The ancient Greeks were the first to create democracy.

The word “democracy” comes from two Greek words that mean people(demos)and rule(kratos).

The first known democracy in the world was in Athens.

Athenian democracy developed around the fifth century B.C.E. The Greek idea of democracy was different from present-day democracy because, in Athens, all adult citizens were required to take an active part in the government.

POLITICAL SYSTEM OF ISLAM

- In Islam , religion and politics are one and the same in Islam
- They are knotted
